Council President, Burgess Endorse $80,000 Bond Issue

Voters Urged to Approve Water Supply Issue On Tuesday

An abundant supply of Edgely well water for the people of the Fifth Ward, Sixth Ward and possibly the Second Ward of the borough is in sight today.

Well water in place of the present river water which these wards now receive after purification and treatment will be a reality if the voters in Tuesday's Primary election approve the $80,000 increase in borough debt, Council President Francis J. Byers declared today. Burgess I. J. Hetherington also endorsed the loan.

Mr. Byers said, "No one in the borough will pay an additional penny in taxes because there is enough in the bond tax account to repay the loan of the money by the borough," Byers pointed out.

The form of the question to be submitted for the voters approval Tuesday is:

"Shall the debt of the Borough of Bristol, Bucks County, Pa. be increased in the amount of $80,000 for the purpose of providing funds for and toward extending and improving the water supply system of the borough?"

"Answer this question yes, and the people in two wards, and possibly three wards will have an abundant supply of better-tasting well water.

Actually, said Byers, the borough presently receives about one million gallons of water daily from the Edgely Well field. This water is

Schmidt For Burgess "Write-in" Campaign Enlivens Primary Here

A "sticker" and "write-in" campaign is to be conducted at the Primary Election next Tuesday, May 19th, for Horace P. Schmidt for burgess for the Borough of Bristol, on the Republican ticket. This became known definitely this morning when Mr. Schmidt confirmed rumors which have been circulating throughout the borough for the past few days. Mr. Schmidt had been mentioned for the post, previous to the expiration of the time limit for the filing of the necessary papers to have his name put on the ballot, but sentiment had not crystalized at that time. Mr. Schmidt says that he was never approached.

"It was during the past few days that friends began telephoning me and coming to see me," says Mr. Schmidt, "urging me to make myself available as a candidate for burgess."

"The sentiment for Schmidt for burgess has been increasing tremendously during the past 48 hours," claim Schmidt's friends, who today called in a Courier reporter and made the announcement. "It has been like an avalanche," they say, "once the news got out." Mr. Schmidt says that his telephone has been ringing constantly. "Friends have not only urged me to permit the use of my name, but have pledged themselves to work for my nomination."

"I have agreed in response to the urging of my friends to become a candidate for the office of Burgess," said Mr. Schmidt.

"I deeply appreciate the honor my friends and acquaintances are placing in me and I consider it a high compliment they are paying me, by urging me to seek the nomination.

"I gave my consent to have my name placed before the public, only after careful consideration and in response to hundreds of telephone calls and personal visits, not only by my friends but by others who I know only slightly and those with whom I have been associated in various community and civic activities here in Bristol.

"I have become acquainted with hundreds of Bristol residents during the past few years, by my activities with Youth Week, Greater Lower Bucks County Week and through my connections with the fraternal organizations with which I am affiliated."

Mr. Schmidt is a native of Bristol having been born here June 30, 1913. He is a graduate of the Bristol Public Schools, being a member of the Class of 1931. He also at-

Contests, Special Issues Bid Voters To Polls Tuesday

With 50,326 Republicans and 19,124 Democrats eligible to vote in next Tuesday's primary election in Bucks county, there is but one contest for a county office. There are a number local contests, however, in various townships and boroughs, and there are four special elections which may bring out more voters than usual for a primary.

As of this morning the interest shown by the military men and women eligible to vote indicates that they are thinking more seriously of other things, for only five veterans have applied for military ballots. The county board of elections printed 2500 military ballots.

The lone contest for county office is on the Republican ticket in which John A. Collins, of Falls Township, the Republican-endorsed candidate, is opposed by Philip T. Ries, East Rockhill Township, Republican, a former resident of New Hope, for the office of Recorder of Deeds.

The only returns that will be received next Tuesday night by Republican headquarters in Doylestown, wil be for the office of Recorder of Deeds—the Collins-Ries contest.

"We are not challenging the ability of the man who has filed against John A. Collins", J. H. Shoemaker, of Quakertown, chairman of the Bucks County Republican Primary Campaign Committee said today, "but we do feel that the long-standing traditions and rules of the Republican Party in Bucks county ought to be observed."

Chairman Shoemaker goes on to explain in a letter to the Republican voters of Bucks county that "the fact is that quite a few years ago, as a matter of justice to all sections of the county, it was agreed that candidates for this and other similar county offices would be 'rotated' in the three main sections of the county—upper, middle and lower. The incumbent comes

Cedar Street Man Dies of Head Injury

Abington—A Bristol man died in Abington Hospital last evening at 7.30. The victim is Harry Casey, 50, who rooms at 329 Cedar street.

Cause of death is given by Coroner W. J. Rushong, Montgomery county, as a brain hemorrhage, possibly caused by a blow on the head.

Casey was removed from the Cedar street address to the hospital Monday in Bucks County Rescue Squad ambulance. He sustained head injuries and body bruises.

Bristol police were informed of Casey's condition at the time of his removal to the hospital, and were also advised this morning of his death. They are investigating.

Casey roomed at the home of Mr. and Mrs. Milton Knoth at the Cedar street address.

According to Chief of Bristol Police Linford Jones it has been learned that Casey went to a bank Friday evening to cash a check. He had broken his eye-glasses, and it is said he can see very little without them. Police found blood stains on the steps in front of the Knoth home, and it is thought possibly Casey fell and struck his head when he returned home Friday evening.

The Knoth family was away during the week-end, and it was not until Monday morning that another roomer, a Mr. Sallustio, heard Casey moaning. He called a physician who advised that Casey be removed to a hospital.

The larger portion of the money from the check he had cashed was in Casey's room. He is employed by Schutte & Koerting Co., Cornwells Heights.

Council President, Burgess Endorse $80,000 Bond Issue

Voters Urged to Approve Water Supply Issue On Tuesday

An abundant supply of Edgely well water for the people of the Fifth Ward, Sixth Ward and possibly the Second Ward of the borough is in sight today.

Well water in place of the present river water which these wards now receive after purification and treatment will be a reality if the voters in Tuesday's Primary election approve the $80,000 increase in borough debt, Council President Francis J. Byers declared today. Burgess I. J. Hetherington also endorsed the loan.

Mr. Byers said, "No one in the borough will pay an additional penny in taxes because there is enough in the bond tax account to repay the loan of the money by the borough," Byers pointed out.

The form of the question to be submitted for the voters approval Tuesday is:

"Shall the debt of the Borough of Bristol, Bucks County, Pa. be increased in the amount of $80,000 for the purpose of providing funds for and toward extending and improving the water supply system of the borough?"

"Answer this question yes, and the people in two wards, and possibly three wards will have an abundant supply of better-tasting well water.

Actually, said Byers, the borough presently receives about one million gallons of water daily from the Edgely Well field. This water is

Schmidt For Burgess "Write-in" Campaign Enlivens Primary Here

A "sticker" and "write-in" campaign is to be conducted at the Primary Election next Tuesday, May 19th, for Horace P. Schmidt for burgess for the Borough of Bristol, on the Republican ticket. This became known definitely this morning when Mr. Schmidt confirmed rumors which have been circulating throughout the borough for the past few days. Mr. Schmidt had been mentioned for the post, previous to the expiration of the time limit for the filing of the necessary papers to have his name put on the ballot, but sentiment had not crystalized at that time. Mr. Schmidt says that he was never approached.

"It was during the past few days that friends began telephoning me and coming to see me," says Mr. Schmidt, "urging me to make myself available as a candidate for burgess."

"The sentiment for Schmidt for burgess has been increasing tremendously during the past 48 hours," claim Schmidt's friends, who today called in a Courier reporter and made the announcement. "It has been like an avalanche," they say, "once the news got out." Mr. Schmidt says that his telephone has been ringing constantly. "Friends have not only urged me to permit the use of my name, but have pledged themselves to work for my nomination."

"I have agreed in response to the urging of my friends to become a candidate for the office of Burgess," said Mr. Schmidt.

"I deeply appreciate the honor my friends and acquaintances are placing in me and I consider it a high compliment they are paying me, by urging me to seek the nomination.

"I gave my consent to have my name placed before the public, only after careful consideration and in response to hundreds of telephone calls and personal visits, not only by my friends but by others who I know only slightly and those with whom I have been associated in various community and civic activities here in Bristol.

"I have become acquainted with hundreds of Bristol residents during the past few years, by my activities with Youth Week, Greater Lower Bucks County Week and through my connections with the fraternal organizations with which I am affiliated."

Mr. Schmidt is a native of Bristol having been born here June 30, 1913. He is a graduate of the Bristol Public Schools, being a member of the Class of 1931. He also at-

Contests, Special Issues Bid Voters To Polls Tuesday

With 50,326 Republicans and 19,124 Democrats eligible to vote in next Tuesday's primary election in Bucks county, there is but one contest for a county office. There are a number local contests, however, in various townships and boroughs, and there are four special elections which may bring out more voters than usual for a primary.

As of this morning the interest shown by the military men and women eligible to vote indicates that they are thinking more seriously of other things, for only five veterans have applied for military ballots. The county board of elections printed 2500 military ballots.

The lone contest for county office is on the Republican ticket in which John A. Collins, of Falls Township, the Republican-endorsed candidate, is opposed by Philip T. Ries, East Rockhill Township, Republican, a former resident of New Hope, for the office of Recorder of Deeds.

The only returns that will be received next Tuesday night by Republican headquarters in Doylestown, wil be for the office of Recorder of Deeds—the Collins-Ries contest.

"We are not challenging the ability of the man who has filed against John A. Collins", J. H. Shoemaker, of Quakertown, chairman of the Bucks County Republican Primary Campaign Committee said today, "but we do feel that the long-standing traditions and rules of the Republican Party in Bucks county ought to be observed."

Chairman Shoemaker goes on to explain in a letter to the Republican voters of Bucks county that "the fact is that quite a few years ago, as a matter of justice to all sections of the county, it was agreed that candidates for this and other similar county offices would be 'rotated' in the three main sections of the county—upper, middle and lower. The incumbent comes

Cedar Street Man Dies of Head Injury

Abington—A Bristol man died in Abington Hospital last evening at 7.30. The victim is Harry Casey, 50, who rooms at 329 Cedar street.

Cause of death is given by Coroner W. J. Rushong, Montgomery county, as a brain hemorrhage, possibly caused by a blow on the head.

Casey was removed from the Cedar street address to the hospital Monday in Bucks County Rescue Squad ambulance. He sustained head injuries and body bruises.

Bristol police were informed of Casey's condition at the time of his removal to the hospital, and were also advised this morning of his death. They are investigating.

Casey roomed at the home of Mr. and Mrs. Milton Knoth at the Cedar street address.

According to Chief of Bristol Police Linford Jones it has been learned that Casey went to a bank Friday evening to cash a check. He had broken his eye-glasses, and it is said he can see very little without them. Police found blood stains on the steps in front of the Knoth home, and it is thought possibly Casey fell and struck his head when he returned home Friday evening.

The Knoth family was away during the week-end, and it was not until Monday morning that another roomer, a Mr. Sallustio, heard Casey moaning. He called a physician who advised that Casey be removed to a hospital.

The larger portion of the money from the check he had cashed was in Casey's room. He is employed by Schutte & Koerting Co., Cornwells Heights.

THE HARTE TRADITION

Few informed Americans could disagree with the Moscow radio's statement that Bret Harte was an outstanding writer and humanist. The broadcast ranked him with Mark Twain, Jack London and Walt Whitman, all of whom were popular in Russia long before the advent of communism. A special exhibition is being set up in Moscow to mark the 51st anniversary of Harte's death.

And apparently the Muscovites really meant to honor Bret Harte. Any suspicion that they might have had him confused with another prominent Californian, Bill Hart, seems to have been unfounded.

Harte's basic material stemmed from his California experiences and his sharp awareness of the ironies and drama of pioneer life. "The Luck of the Roaring Camp" and his poem, "The Heathen Chinee", first brought him to the attention of eastern editors and publishers, so that when he returned to New York in 1871, he was lionized as "a new prophet in American letters."

His was a technique for which modern American authors strive with varied degrees of effectiveness. Some critics describe Ernest Hemingway and Truman Capote, to mention but two, as writers in the Harte tradition. But Harte addicts profess to find more differences between works of Harte and any current authors than can be explained solely by changes wrought by the lapse of years.

ODE TO SPRING

U. S. Weather Bureau in Washington has announced that it has closed four weather stations and will close 36 more, to keep within the limits fixed by the new budget. At the moment this seems like a justifiable economy. Why have weather bureaus to attempt to predict the unpredictable.

This is the sort of spring about which no poet ever wrote odes or sonnets. In this spring every one's fancy sadly turns to thoughts of umbrellas, raincoats, rubbers, overcoats one day and summer raiment the next. The only certainty is that the weather will turn cold or hot or vice versa.

It's gotten to the point where Dr. Wallace E. Howells, who says he broke the 1950 New York drought by seeding clouds with silver iodide crystals, has dreamed up an idea for turning off the faucet. Seed clouds with enough silver iodide crystals and it will not rain. If this seems confusing, perhaps it would be well to pass on to something more easily explained. Such as why Texas is having dust storms that are reported to have spattered cars with mud as far east as New Jersey. There is some consolation in this season of drip, drizzle, downpour and deluge. The reservoirs are filling up and there'll be plenty of water for sprinkling lawns this summer. Provided they ever get dry enough to need sprinkling.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the *tremendous new power* in advanced Loadmaster engines in heavy-duty models. The *remarkable gasoline economy*. The *extra ruggedness and strength*. And that *the Chevrolet line lists for less than any other trucks of comparable size and capacity*.

So, before you buy *any* truck, stop in and see us, won't you?

THE HARTE TRADITION

Few informed Americans could disagree with the Moscow radio's statement that Bret Harte was an outstanding writer and humanist. The broadcast ranked him with Mark Twain, Jack London and Walt Whitman, all of whom were popular in Russia long before the advent of communism. A special exhibition is being set up in Moscow to mark the 51st anniversary of Harte's death.

And apparently the Muscovites really meant to honor Bret Harte. Any suspicion that they might have had him confused with another prominent Californian, Bill Hart, seems to have been unfounded.

Harte's basic material stemmed from his California experiences and his sharp awareness of the ironies and drama of pioneer life. "The Luck of the Roaring Camp" and his poem, "The Heathen Chinese", first brought him to the attention of eastern editors and publishers, so that when he returned to New York in 1871, he was lionized as "a new prophet in American letters."

His was a technique for which modern American authors strive with varied degrees of effectiveness. Some critics describe Ernest Hemingway and Truman Capote, to mention but two, as writers in the Harte tradition. But Harte addicts profess to find more differences between works of Harte and any current authors than can be explained solely by changes wrought by the lapse of years.

ODE TO SPRING

U. S. Weather Bureau in Washington has announced that it has closed four weather stations and will close 36 more, to keep within the limits fixed by the new budget. At the moment this seems like a justifiable economy. Why have weather bureaus to attempt to predict the unpredictable.

This is the sort of spring about which no poet ever wrote odes or sonnets. In this spring every one's fancy sadly turns to thoughts of umbrellas, raincoats, rubbers, overcoats one day and summer raiment the next. The only certainty is that the weather will turn cold or hot or vice versa.

It's gotten to the point where Dr. Wallace E. Howells, who says he broke the 1950 New York drought by seeding clouds with silver iodide crystals, has dreamed up an idea for turning off the faucet. Seed clouds with enough silver iodide crystals and it will not rain. If this seems confusing, perhaps it would be well to pass on to something more easily explained. Such as why Texas is having dust storms that are reported to have spattered cars with mud as far east as New Jersey. There is some consolation in this season of drip, drizzle, downpour and deluge. The reservoirs are filling up and there'll be plenty of water for sprinkling lawns this summer. Provided they ever get dry enough to need sprinkling.

TULLYTOWN, May 15—Harry V. Clery, of 28 Laurel Lane, Levittown, is the Republican candidate for Tax Collector of Tullytown Borough in the May 19 primary election.

tended the Rider Business College in Trenton and graduated in 1933 then becoming associated with his father in the florist business here.

Mr. Schmidt is a Veteran of World War II serving for 27 months in 1943 to 1945. Seventeen months were spent overseas in active combat duty. He is a member of Robert W. Bracken Post, No. 382, American Legion, Bristol Lodge No. 970 Benevolent and Protective Order of Elks, having served twice as exalted ruler of that organization. He is a past district deputy grand exalted ruler of the Elks and a past president of the Bristol Exchange Club. He is a member of Hopkins Lodge No. 87, I.O.O.F. Mr. Schmidt has been very active in civic affairs and was one of the leaders in Youth Weeks of past years and in Greater Lower Bucks Week, last year. He has served as disaster chairman of the Bristol Chapter, American Red Cross and also as financial chairman of the Red Cross of this area.

During the past few days Mr. Schmidt has been under a constant barrage of his friends who have demanded that he seek the Republican nomination.

To nominate Mr. Schmidt will require the use of stickers or the writing in of his name upon the Primary Election Ballot.

There is some talk of organizing a "Horace P. Schmidt for Burgess Committee" in Bristol but at this time it is only in the talking stage. Promoters of the Schmidt candidacy are enthusiastic and will devote all their time during the next few days to win the nomination for their candidate.

The proposed "Horace P. Schmidt for Burgess Committee" will meet tomorrow afternoon at Mr. Schmidt's residence Otter and Locust streets at three o'clock. An invitation is extended to all interested people to attend even if they are not members of the committee.

Council President

pumped to the borough through an eight inch main.

These new funds will allow the borough to put in a 16-inch water transmission pipe from the Edgely wells and would allow up to three times as much water, to be pumped into the borough at less pressure than at present.

The borough will be able to bring down all the water, approximately 4,000,000 that the Edgely wells can produce, Byers said.

At the present time the people of the township along the 8-inch main from Edgely are receiving the best water produced by the borough water system, according to Byers. Increasing the flow into Bristol would give thousands of users in the borough the same high quality water now furnished in the Edgely and Headley Manor sections of the township.

A pressure reduction in the lines could be brought about Byers added. Presently, he said pressure in the 8-inch main is about 130 pounds per square inch, with the 36-inch main the pressure could be reduced to about 85 pounds per square inch, thereby more closely approaching standard household pressures.

"Permission by the voters Tuesday to borrow the $80,000 for extending and improving our water supply system will be a 'tremendous' benefit to all users in the borough", said the Council president.

It will provide more water not only to the sections mentioned but will make available to users of water from other sources: the purification plant and the Bath wells, a much greater quantity of water than can presently be supplied to them, he declared.

"We recently discussed the water rates with the Public Utilities Commission," declared Byers, "and they agreed that the water rates in Bristol were the lowest in the state of Pennsylvania."

Byers concluded by saying that he wanted to make it emphatic that voters at this election could give good quality, and better tasting water to thousands of borough residents "at not one penny additional cost in taxes to any borough resident."

Burgess I. J. Hetherington gave his endorsement to the loan proposed and urged it be approved. "We need water," said the burgess, and if the passage of the loan is going to bring water down from Edgely I'm for it." The $80,000 loan is earmarked for this purpose.

"If there is enough water at Edgely I'm for the passage of the loan and I presume that it has been learned that there is enough water there."

The burgess continued by saying that "water is our lifebloood". "It is our livlihood and I would like to see the loan passed."

William Wallace, chairman of the water committee, is well acquainted with the water situation as it exists in Bristol today. "We need water very badly. The passage of the loan will provide us with money to lay the water line from the wells at Edgely to the storage tank at Green Lane. This extension has been put off entirely too long. The demands have increased considerably beyond the capacity of the pumping station on Radcliffe st."

Children Under 7th Grade May Also Make River Trip

A change in sale of tickets for "Operation Schoolbell" (river trip) was made recently after many demands had been presented by both parents and friends of the school. Tickets will now be available for children under 7th grade age level.

As originally scheduled it was felt that the cruise, to take place May 29th, should be an all-adult trip but due to educational opportunities that will be afforded the ticket schedule was revised.

Tickets will still be available for this "moonlight cruise" on the Delaware, through any parent organization or by contacting any teacher in the township schools. The affair is sponsored by the teachers and parents of Bristol twp. schools.

Candidates In Tullytown

TULLYTOWN, May 15—Harry V. Clery, of 28 Laurel Lane, Levittown, is the Republican candidate for Tax Collector of Tullytown Borough in the May 19 primary election.

Born in Philadelphia, Mr. Clery received his education at West Philadelphia and Central High Schools and the Wharton School of Finance and Accounts of the University of Pennsylvania in that city.

He has been employed by the Pennsylvania Railroad for the past 26 years, and is secretary to the assistant vice-president—traffic.

He is a member of the Tullytown Volunteer Fire Company, and the Levittown Civic Association. For the last ten years he has been treasurer of the Miniature Camera Club of Philadelphia.

Clery, and his wife Ruth, have one daughter, Carol, five years of age.

Clery's candidacy is endorsed by Tullytown's Republican organization, headed by William Heidrick, of Main street, Tullytown.

TULLYTOWN, May 15—Edward J. Kohler, of Main street, is a candidate on the Republican ticket for School Director of Tullytown Borough in the May 19 primary election.

He was born in Philadelphia, and moved to Middletown township at the age of five. He attended the Hulmeville grade school and graduated from Langhorne-Middletown Township High School.

He entered the Navy in 1943, and was discharged in 1946.

Kohler married Anna Mae Stake in 1945. They have two children, a daughter, aged four years, and a son eight months old.

He is employed at Cold Springs Bleachery, as a maintenance machinist.

tended the Rider Business College in Trenton and graduated in 1933 then becoming associated with his father in the florist business here.

Mr. Schmidt is a Veteran of World War II serving for 27 months in 1943 to 1945. Seventeen months were spent overseas in active combat duty. He is a member of Robert W. Bracken Post, No. 382, American Legion, Bristol Lodge No. 970 Benevolent and Protective Order of Elks, having served twice as exalted ruler of that organization. He is a past district deputy grand exalted ruler of the Elks and a past president of the Bristol Exchange Club. He is a member of Hopkins Lodge No. 87, I.O.O.F. Mr. Schmidt has been very active in civic affairs and was one of the leaders in Youth Weeks of past years and in Greater Lower Bucks Week, last year. He has served as disaster chairman of the Bristol Chapter, American Red Cross and also as financial chairman of the Red Cross of this area.

During the past few days Mr. Schmidt has been under a constant barrage of his friends who have demanded that he seek the Republican nomination.

To nominate Mr. Schmidt will require the use of stickers or the writing in of his name upon the Primary Election Ballot.

There is some talk of organizing a "Horace P. Schmidt for Burgess Committee" in Bristol but at this time it is only in the talking stage. Promoters of the Schmidt candidacy are enthusiastic and will devote all their time during the next few days to win the nomination for their candidate.

The proposed "Horace P. Schmidt for Burgess Committee" will meet tomorrow afternoon at Mr. Schmidt's residence Otter and Locust streets at three o'clock. An invitation is extended to all interested people to attend even if they are not members of the committee.

pumped to the borough through an eight inch main.

These new funds will allow the borough to put in a 16-inch water transmission pipe from the Edgely wells and would allow up to three times as much water, to be pumped into the borough at less pressure than at present.

The borough will be able to bring down all the water, approximately 4,000,000 that the Edgely wells can produce, Byers said.

At the present time the people of the township along the 8-inch main from Edgely are receiving the best water produced by the borough water system, according to Byers. Increasing the flow into Bristol would give thousands of users in the borough the same high quality water now furnished in the Edgely and Headley Manor sections of the township.

A pressure reduction in the lines could be brought about Byers added. Presently, he said pressure in the 8-inch main is about 130 pounds per square inch, with the 36-inch main the pressure could be reduced to about 85 pounds per square inch, thereby more closely approaching standard household pressures.

"Permission by the voters Tuesday to borrow the $80,000 for extending and improving our water supply system will be a 'tremendous' benefit to all users in the borough", said the Council president.

It will provide more water not only to the sections mentioned but will make available to users of water from other sources: the purification plant and the Bath wells, a much greater quantity of water than can presently be supplied to them, he declared.

"We recently discussed the water rates with the Public Utilities Commission," declared Byers, "and they agreed that the water rates in Bristol were the lowest in the state of Pennsylvania."

Byers concluded by saying that he wanted to make it emphatic that voters at this election could give good quality, and better tasting water to thousands of borough residents "at not one penny additional cost in taxes to any borough resident."

Burgess I. J. Hetherington gave his endorsement to the loan proposed and urged it be approved. "We need water," said the burgess, and if the passage of the loan is going to bring water down from Edgely I'm for it." The $80,000 loan is earmarked for this purpose.

"If there is enough water at Edgely I'm for the passage of the loan and I presume that it has been learned that there is enough water there."

The burgess continued by saying that "water is our lifeblood". "It is our livlihood and I would like to see the loan passed."

William Wallace, chairman of the water committee, is well acquainted with the water situation as it exists in Bristol today. "We need water very badly. The passage of the loan will provide us with money to lay the water line from the wells at Edgely to the storage tank at Green Lane. This extension has been put off entirely too long. The demands have increased considerably beyond the capacity of the pumping station on Radcliffe st."

Children Under 7th Grade May Also Make River Trip

A change in sale of tickets for "Operation Schoolbell" (river trip) was made recently after many demands had been presented by both parents and friends of the school. Tickets will now be available for children under 7th grade age level.

As originally scheduled it was felt that the cruise, to take place May 29th, should be an all-adult trip but due to educational opportunities that will be afforded the ticket schedule was revised.

Tickets will still be available for this "moonlight cruise" on the Delaware, through any parent organization or by contacting any teacher in the township schools. The affair is sponsored by the teachers and parents of Bristol twp. schools.

The boat will leave Burlington (N. J.) pier at 6:30 p. m., and return there between 11:30 and 12. The trip will include a ride past the U. S. Steel Co. plant. By means of public address system points of interest will be announced during the ride. An orchestra will provide numbers.

Bensalem Rotary To Sponsor Speedboat Races On May 30th

EDDINGTON, May 15—L. Creighton Vandergrift, regatta chairman of the Bensalem Rotary Club, announced that on Saturday, May 30, the service organization will sponsor a series of ten high speed racing outboard speedboat events at Spring Lake, here, the site of the old Neshaminy Aquadrome. Trials will begin at noon. The first qualifying race will start at 2 p. m.

"The proceeds will be devoted to charitable purposes. This is our principal reason for sponsoring what we feel will be one of the most exciting days of racing to be seen anywhere along the Eastern seaboard. We have made arrangements to handle a crowd in excess of 10,000 spectators and will provide ample parking space adjacent to the racing bowl. The land-locked, ¼-mile spring-fed oval waterway will offer close viewing of all ten thrill-packed events," the regatta chairman said.

Dean Worcester, of Manchester, N. H., commodore of the Short Course Outboard Drivers' Asociation, the professional group which will sanction the event, stated that more than 35 drivers and nearly 50 boats will be on hand to vie for starting positions in the three big feature events. Worcester has stated, too, that in addition to two qualifying heats each in the 50, 55, and 60-65 mph Classes A, B and C and the three main events for the qualifiers in each class, he has arranged a special added attraction.

"For the first time ever," said Worcester, "the powerful 70 mph, four cylinder Class Xs, seldom seen in action in the East, will be in competition. At least three of the giant 60 horsepower unlimited racing jobs will be on hand for a thrilling duel of the behemoths of the waterways."

Among the top-flight professionals who have already entered their equipment are Jim Baden, Washington, D. C., with his boat "Poison;" Vic Scott, Belmore, N. Y., former Class C World's Champion record holder; Dutch Solliday, Dunellen, N. J.; A. G. Broaddus, Jr., Norfolk, Va.; Ray Shilling, Philadelphia; Buzz Mandell, Croydon; Chuck Walters, Washington, D. C.; Doc Williams, Eddington; Gil Petermann, Malverne, N. Y., three-time Class A National Titleholder; Joe Stager, Flushing, N. Y.; Eddie Van-Houten, Kearney, N. J.; Ross Wark and Byron Shannon, Audubon, N. J.; Bob Thornton, Denver, Colorado; Jim Campbell, Danville; Joe Wotowitz, Hartford, Conn., and many others.

self with the King Farms Company upon its organization in 1929 as assistant secretary and assistant treasurer, and has continued with the company ever since.

The GOP candidate for Recorder of Deeds, has always been active in civic affairs of his home community, beginning with the local Parent-Teacher Association when the children were in school, and serving one term as president of the association.

Later he tried to organize the Falls Township Civic Association and is now president of that organization. Mr. Collins served as captain in the Bucks County Community Chest Drive last year. He is presently chairman of the Township of Falls Authority for Sewers and Water.

He is treasurer of Falls Township Lions Club and a member of the Holy Trinity Catholic Church, at Morrisville.

In a political way, besides being auditor for Falls Township for two years, Mr. Collins served several terms as Republican committeeman of Falls Township. He has always been active in any matters of a political nature in the GOP ranks.

Board, and its solicitor, was instructed to proceed with the incorporation of the Authority. The five men named will then organize by electing from their membership, the proper officers.

Once the Authority is legaly constituted then it will become its duty to proceed with financing and building of what are determined as the necessary schools, to properly educate the children of Bristol. It is believed that the recommendations of the Pennsylvania Economy League will be followed.

Norman Ryan, at the meeting, last evening, as a member of the school committee, nominated Dominick Nunzio to become shop teacher. Mr. Ryan also reported that his committee had recommended that summer rehearsal be held by the high school band. The committee also suggested that a vote of appreciation be extended to Mrs. Jacob Townsend for the fashion show she recently arranged for the students of the sewing class, and to Miss Dorothy Schmidt for her direction of the Junior-Senior High School Play. All of the recommendations were approved by the Board.

from the middle district, his predecessor came from the upper district, and therefore the new Recorder of Deeds, in all fairness, ought to come, as Collins does, from the lower district.

"The man who has filed against him comes from the upper district and his nomination would upset a practice in Bucks county which has worked exceedingly well for many years.

"As a matter of fair play, therefor as well as a matter of living up to our party's agreements, we urge you to be sure to come to the polls on May 19, and to be sure to cast your vote as indicated on the accompanying ballot."

The other candidates on the ballot for next Tuesday primary election are as follows:

Sheriff: C. LeRoy Murray (R), Warrington, and Walter I. Ellis, (D), Riegelsville.

mately $130,000. The first unit, it is estimated, will cost $90,000, while the second unit is expected to cost $40,000. The goal of the local congregation is $25,000.

Loring Dam, Chestnut Hill, was introduced. Characterized by Canon Brian Green of England as one of "God's little stockbrokers" Mr. Dam said that he was not a pious type of person but a swearing person-since he could certainly take his own name in vain. He pointed out that the early church started out with only 12 men and noted that St. Paul's had 32. He predicted that the parish will go over the top in the campaign. He stressed the important place the church has in the fight against secularism and stated that for every 56 people who profess a religious faith, there are 44 who profess no faith whatsoever. "Here is the challenge for the church!" he added.

Sunday, May 17, will be the day for the drive for the $25,000. All Episcopalian in the area have been asked to stay at home between the hours of two and six p. m. so that they will have opportunity to help the new church. Reports will be received from the campaigners Sunday at 7:30 by Martin Waters, treasurer of the building fund.

Until the new building is completed, services are being held at Edgely Ave. and Route No. 13.

The Rev. Stanley A. Powell, Jr., 37 Fortune Lane, Levittown, is vicar of the parish.

Bensalem Rotary To Sponsor Speedboat Races On May 30th

EDDINGTON, May 15—L. Creighton Vandergrift, regatta chairman of the Bensalem Rotary Club, announced that on Saturday, May 30, the service organization will sponsor a series of ten high speed racing outboard speedboat events at Spring Lake, here, the site of the old Neshaminy Aquadrome. Trials will begin at noon. The first qualifying race will start at 2 p. m.

"The proceeds will be devoted to charitable purposes. This is our principal reason for sponsoring what we feel will be one of the most exciting days of racing to be seen anywhere along the Eastern seaboard. We have made arrangements to handle a crowd in excess of 10,000 spectators and will provide ample parking space adjacent to the racing bowl. The land-locked, ¼-mile spring-fed oval waterway will offer close viewing of all ten thrill-packed events," the regatta chairman said.

Dean Worcester, of Manchester, N. H., commodore of the Short Course Outboard Drivers' Asociation, the professional group which will sanction the event, stated that more than 35 drivers and nearly 50 boats will be on hand to vie for starting positions in the three big feature events. Worcester has stated, too, that in addition to two qualifying heats each in the 50, 55, and 60-65 mph Classes A, B and C and the three main events for the qualifiers in each class, he has arranged a special added attraction.

"For the first time ever," said Worcester, "the powerful 70 mph, four cylinder Class Xs, seldom seen in action in the East, will be in competition. At least three of the giant 60 horsepower unlimited racing jobs will be on hand for a thrilling duel of the behemoths of the waterways."

Among the top-flight professionals who have already entered their equipment are Jim Baden, Washington, D. C., with his boat "Poison;" Vic Scott, Belmore, N. Y., former Class C World's Champion record holder; Dutch Solliday, Dunellen, N. J.; A. G. Broaddus, Jr., Norfolk, Va.; Ray Shilling, Philadelphia; Buzz Mandell, Croydon; Chuck Walters, Washington, D. C.; Doc Williams, Eddington; Gil Petermann, Malverne, N. Y., three-time Class A National Titleholder; Joe Stager, Flushing, N. Y.; Eddie VanHouten, Kearney, N. J.; Ross Wark and Byron Shannon, Audubon, N. J.; Bob Thornton, Denver, Colorado; Jim Campbell, Danville; Joe Wotowitz, Hartford, Conn., and many others.

Church Folk View Reels Filmed in This Area

EDDINGTON, May 15 — Family night, held in Eddington Presbyterian Church house Monday evening, was well atended. A covered dish supper preceded the showing of a film strip, "The Greatest of These".

The picture was filmed with a cast selected from Eddington church and with the church itself as the background. The story centered about a church family and their difficulties in obtaining proper understanding of their children and their problems.

The main characters were: Mrs. Harold Neal as Mary Douglas; C. Russell Lorrimer Jr., as the father, Joe Douglas; their children, Dick, protrayed by Peter Laros; Ann, by Susan Laros, "Tommy" by C. Russell Lorrimer 3rd. They were assisted by a cast of children and adults. The interior of the Douglas home was filmed in the home of Mr. and Mrs. Otto Grupp Jr., here. The exterior was filmed at the home of Mr. and Mrs. Edward Vansant, Hulmeville. Besides the Eddington church, where films of the congregation and minister also were "shot", a few pictures were taken at Calvary Church, Willow Grove. The committee in charge of arrangements: Harold Laros, chairman; Mrs. A. Stephen Baas and Miss Isabella Jones.

Circle No. 3, Mrs. Leighton Davis, leader, was in charge of the supper.

NOTICE

Pursuant to the provisions of the Act of June 25, 1947, P.L. 1145, No. 481, its supplements and amendments, Notice is given of the intention of the School District of the Township of Bensalem, Bucks County, Pennsylvania, to enact a Resolution providing for the imposition of a tax, upon the admission fee or privilege to attend or engage in any amusement, within the said School District, at the rate of one cent (1c) for each ten cents (10c) of the established price charged the general public, or a limited or selected group thereof, by any producer for such privilege, which shall be paid by the person acquiring such privilege. The said Resolution will define an amusement as "all manner and forms of entertainment, including, among other, theatrical or operatic performance, concert, moving picture shows, drive-in theatres, vaudeville, circus, carnival and sideshows, all forms of entertainment at fairgrounds and amusement parks, athletic contests, including wrestling matches, boxing and sparring expositions, football and baseball games, skating, golfing, tennis, hockey, bathing, swimming, archery, shooting, riding, dancing, rowing, bowling, billards, pool, and all other forms of diversion, sport, recreation or pastime, shows, exhibitions, contests, displays, and games and all other methods of obtaining admission charges, donations, contributions, or monetary charges of any character, from the general public, or a limited or selected number thereof, directly or indirectly, in return for other than tangible property, or specific personal or professional services."

The said Resolution will define a producer as "any person, copartnership, association or corporation conducting any place of amusement where the general public or a limited or selected number thereof, may, upon payment of an established price, attend or engage in any amusement."

Under certain conditions, exemption from the tax shall be granted when the proceeds of admission charges inure exclusively to the benefit of religious, educational and charitable institutions, societies or organizations; organizations or persons in the military or naval forces of the United States, or of national guard organizations, reserve officers' associations, or organizations, posts, or organizations of war veterans, or auxiliary units or societies of such posts or organizations; organizations or associations created and maintained for the purpose of benefiting employees of any political subdivision of the Commonwealth of Pennsylvania or their dependants or heirs or for the purpose of benefiting the members, or the dependants of, or the heirs of, members of police, or paid or volunteer fire departments of any political subdivision of the Commonwealth of Pennsylvania.

A copy of the proposed Resolution is on file at the Office of the Secretary of the said School District in the high school building at Cornwells Heights, Pennsylvania, where the same is available for public inspection.

The reason which, in the judgement of the officials of the School District of the Township of Bensalem, Bucks County, Pennsylvania, necessitates the imposition of the tax, is the need for additional funds for general school purposes due to the increased cost of operation of the School District, and the belief that a portion of the cost of operating the said School District should be borne equally by all persons of age who are residents or inhabitants of the said School District so as to more equitably distribute the burden of the cost of the operation of the schools therein.

The amount of revenue estimated to be derived from the said tax is Fifty-five thousand Dollars ($55,-000.00) per annum.

The aforesaid Resolution will be presented to the Board of School Directors of the said School District for final action thereon at a meeting of the said Board to be held on May 27, 1953, at 7:30 o'clock P. M., in the high school building of said district located on the Frankford-Bristol Turnpike, at Cornwells Heights, Pennsylvania.

The Resolution, if enacted, and the tax imposed thereby, shall become effective on July 6, 1953.

By DIRECTION OF THE BOARD OF SCHOOL DIRECTORS OF THE SCHOOL DISTRICT OF THE TOWNSHIP OF BENSALEM, BUCKS COUNTY, PENNSYLVANIA.

EDDINGTON, May 15 — Family night, held in Eddington Presbyterian Church house Monday evening, was well atended. A covered dish supper preceded the showing of a film strip, "The Greatest of These".

The picture was filmed with a cast selected from Eddington church and with the church itself as the background. The story centered about a church family and their difficulties in obtaining proper understanding of their children and their problems.

The main characters were: Mrs. Harold Neal as Mary Douglas; C. Russell Lorrimer Jr., as the father, Joe Douglas; their children, Dick, profrayed by Peter Laros; Ann, by Susan Laros, "Tommy" by C. Russell Lorrimer 3rd. They were assisted by a cast of children and adults. The interior of the Douglas home was filmed in the home of Mr. and Mrs. Otto Grupp Jr., here. The exterior was filmed at the home of Mr. and Mrs. Edward Vansant, Hulmeville. Besides the Eddington church, where films of the congregation and minister also were "shot", a few pictures were taken at Calvary Church, Willow Grove. NOTICE

Pursuant to the provisions of the Act of June 25, 1947, P.L. 1145, No. 481, its supplements and amendments, Notice is given of the intention of the School District of the Township of Bensalem, Bucks County, Pennsylvania, to enact a Resolution providing for the imposition of a tax, upon the admission fee or privilege to attend or engage in any amusement, within the said School District, at the rate of one cent (1¢) for each ten cents (10¢) of the established price charged the general public, or a limited or selected group thereof, by any producer for such privilege, which shall be paid by the person acquiring such privilege. The said Resolution will define an amusement as "all manner and forms of entertainment, including, among other, theatrical or operatic performance, concert, moving picture show, drive-in theatres, vaudeville, circus, carnival and sideshows, all forms of entertainment at fairgrounds and amusement parks, athletic contests, including wrestling matches, boxing and sparring expositions, football and baseball games, skating, golfing, tennis, hockey, bathing, swimming, archery, shooting, riding, dancing, rowing, bowling, billards, pool, and all other forms of diversion, sport, recreation or pastime, shows, exhibitions, contests, displays, and games and all other methods of obtaining admission charges, donations, contributions, or monetary charges of any character, from the general public, or a limited or selected number thereof, directly or indirectly, in return for other than tangible property, or specific personal or professional services."

The said Resolution will define a producer as "any person, copartnership, association or corporation conducting any place of amusement where the general public or a limited or selected number thereof, may, upon payment of an established price, attend or engage in any amusement."

Under certain conditions, exemption from the tax shall be granted when the proceeds of admission charges inure exclusively to the benefit of religious, educational and charitable institutions, societies or organizations; organizations or persons in the military or naval forces of the United States, or of national guard organizations, reserve officers' associations, or organizations, posts, or organizations of war veterans, or auxiliary units or societies of such posts or organizations; organizations or associations created and maintained for the purpose of benefiting employees of any political subdivision of the Commonwealth of Pennsylvania or their dependants or heirs or for the purpose of benefiting the members, or the dependants of, or the heirs of, members of police, or paid or volunteer fire departments of any political subdivision of the Commonwealth of Pennsylvania.

God's Strange Choices

God's choices of people to do His will are strange to the wise and mighty. Let's look at some of God's strange choices.

In the Old Testament we find that God chose these people: Abraham, a man of peace and unknown; Moses, a prince turned shepherd because of crime; Jeremiah, a man so keenly aware of his limitations that he lacked confidence.

In the New Testament we find that God chose these men: Peter, an impulsive fisherman; Matthew, a converted grafter; Paul, a tent maker and persecuter of Christians.

You have been chosen of God. Others may think you a strange choice. God, who has chosen you will show them how wrong they are if you will let him work through you. (Read I. Corinthians 1:27.)

Levittown Civic Ass'n Will Elect Next Tuesday

LEVITTOWN, May 15 — Election of officers of the Levittown Civic Association for the coming year will take place at the May 19th meeting at 8 p. m. in the Edgely fire hall.

Additional nominations from the floor during the election night meeting will be accepted providing a motion to that effect is passed, according to Albert Eastburn, Parliamentarian for the Association.

It is expected that the present one-man race by Duke Sloan for the Presidency of the Association may be widened by the entries of additional candidates whose names may now be entered from the floor during the meeting. Edward Hough, outgoing Secretary of the Association and again a candidate for the post, has expressed his opposition to the concept of having only one candiate for the presidency.

Those eligible to vote include the present members of the Civic Association or Levittowners who become members at any one of the various tables set up at the meeting for the purpose of arccepting additional new members.

At present there are thirteen listed candidates for the six posts of the Asosciation:

Duke Sloan, 313 Lakeside drive, is the candidate for the presidency.

Four Levittowners are campaigning for the vice-presidency of the Association: Gordon H. B. Bretschneider, 59 Pond Lane; Robert Bennett, 2 Emerald Lane; David Melnick, 29 Flower Lane and Wilfred Clay, 14 Post Lane.

Edward Hough, 60 Lilac Lane and Omar C. Peck, 29 Emerald Lane are vying for the post of secretary.

Ralph Jones, 11 Sunset Lane, is the candidate for treasurer.

Mrs. Louise Slawecki, 30 Ember Lane, and Carlton Davis, 47 Locust Lane, are the candidates for assistand secretary.

Three Levittowners are campaigning for the post of assistant treasurer: William Cucknell, 15 Lavender Lane; Robert Springer, 1 Silverbirch Lane and William Chesnut, 16 Emerald Lane.

A series of Articles Introducing the New Residents of Levittown to The Community.

(By Staff Reporter)

J. Robert Keiger is a salesman for the Trenton Paint & Glass Co., and has used both products to give an attractive appearance to the inside of his home at 30 Tanglewood lane.

He divided the kitchen and dining room into separate units by installing a fluted glass panel to the ceiling above the shelves on the brick wall. Then he painted the kitchen yellow, and gave the living room a pleasing pattern of Swedish red and gray. The large bedroom is a cocoa brown and the small bedroom Caribbean blue. Later, Mr. Keiger plans to make the ceilings bone white.

Fluted glass doors were mounted in the kitchen cabinet, to slide on rollers, and sliding wooden doors provided for the closets.

Mr. Keiger, his wife, Jennie, and their 5½-year-old son, Bobby, moved here April 1, from Morrisville. Mrs. Keiger's parents, Mr. and Mrs. Nicholas Annechini, still live in that community, while her husband is from Winston-Salem, N. C. She is a graduate of Morrisville High School.

An Army veteran, Mr. Keiger was in military service four years, four months and four days. He was in Europe three years in World War II, and was in invasions in Italy and France.

God's Strange Choices

God's choices of people to do His will are strange to the wise and mighty. Let's look at some of God's strange choices.

In the Old Testament we find that God chose these people: Abraham, a man of peace and unknown; Moses, a prince turned shepherd because of crime; Jeremiah, a man so keenly aware of his limitations that he lacked confidence.

In the New Testament we find that God chose these men: Peter, an impulsive fisherman; Matthew, a converted grafter; Paul, a tent maker and persecuter of Christians.

You have been chosen of God. Others may think you a strange choice. God, who has chosen you will show them how wrong they are if you will let him work through you. (Read I. Corinthians 1:27.)

Levittown Civic Ass'n Will Elect Next Tuesday

LEVITTOWN, May 15 — Election of officers of the Levittown Civic Association for the coming year will take place at the May 19th meeting at 8 p. m. in the Edgely fire hall.

Additional nominations from the floor during the election night meeting will be accepted providing a motion to that effect is passed, according to Albert Eastburn, Parliamentarian for the Association.

At present there are thirteen listed candidates for the six posts of the Asosciation:

Four Levittowners are campaigning for the vice-presidency of the Association: Gordon H. B. Bretschneider, 59 Pond Lane; Robert Bennett, 2 Emerald Lane; David Melnick, 29 Flower Lane and Wilfred Clay, 14 Post Lane.

Edward Hough, 60 Lilac Lane and Omar C. Peck, 29 Emerald Lane are vying for the post of secretary.

J. Robert Keiger is a salesman for the Trenton Paint & Glass Co., and has used both products to give an attractive appearance to the inside of his home at 30 Tanglewood lane.

He divided the kitchen and dining room into separate units by installing a fluted glass panel to the ceiling above the shelves on the brick wall. Then he painted the kitchen yellow, and gave the living room a pleasing pattern of Swedish red and gray. The large bedroom is a cocoa brown and the small bedroom Caribbean blue. Later, Mr. Keiger plans to make the ceilings bone white.

Fluted glass doors were mounted in the kitchen cabinet, to slide on rollers, and sliding wooden doors provided for the closets.

Mr. Keiger, his wife, Jennie, and their 5½-year-old son, Bobby, moved here April 1, from Morrisville. Mrs. Keiger's parents, Mr. and Mrs. Nicholas Annechini, still live in that community, while her husband is from Winston-Salem, N. C. She is a graduate of Morrisville High School.

An Army veteran, Mr. Keiger was in military service four years, four months and four days. He was in Europe three years in World War II, and was in invasions in Italy and France.

SPORTSMEN'S BRIEFS

Ollie Hobbs
Pinch-Hitting for Joe Elberson

I talked to several fishermen who fished the surf and bays at the shore over the week-end, but didn't receive good news from any of them. They all have the same thing to report—no fish. The bait shops claim there are a school of blues out about five miles, but I have not heard of the boats getting any of them. They are catching a few mackeral, but not as many as they should be catching now.

About this time last year, the boats came in loaded with mackerel, and the blues were in the surf and in the bays. It looks like the weather doesn't have much to do with it. The story the boat captains and the bait stores are giving is that the weather was too cold. I wonder what story they will give now that the weather is better.

Two of our local fishermen fished in Barnegat Bay all night last Friday and fished the surf on Saturday. Their catch was one eel. I believe these boys were mislead by a story which one of them read in a newspaper. Boy, did they take it, hook, line and sinker! Better luck next time, boys.

"Ken" Jenks landed two nice trout May 6th in his pet fishing hole up in the Neshaminy. One was a 13-incher.

The catfish are still giving good sport to the river fishermen. I took several nice ones myself out of the river. Now is the time to get some sunfish in the canal. How I like to go up the canal with my four-ounce fly rod and a little black gnat or a brown cow-dung dry or wet fly. If you never fished for sunfish with a trout outfit, you sure have missed some good fishing.

Ollie Hobbs

Pinch-Hitting for Joe Elberson

I talked to several fishermen who fished the surf and bays at the shore over the week-end, but didn't receive good news from any of them. They all have the same thing to report—no fish. The bait shops claim there are a school of blues out about five miles, but I have not heard of the boats getting any of them. They are catching a few mackeral, but not as many as they should be catching now.

About this time last year, the boats came in loaded with mackerel, and the blues were in the surf and in the bays. It looks like the weather doesn't have much to do with it. The story the boat captains and the bait stores are giving is that the weather was too cold. I wonder what story they will give now that the weather is better.

Two of our local fishermen fished in Barnegat Bay all night last Friday and fished the surf on Saturday. Their catch was one eel. I believe these boys were mislead by a story which one of them read in a newspaper. Boy, did they take it, hook, line and sinker! Better luck next time, boys.

There's nothing like a bright new rug to dress up any room. And no need to ask your pocketbook *which room* gets the new rug when you select Deltox! At Deltox's budget-balancing prices you can treat *all* your rooms to new charm and beauty.

Clear, true colors, a wide variety of patterns to suit any decorative scheme. Or, if you prefer, "solids" in a clever new weave. All patterns are woven through, for long wear. And most Deltox Fibre Rugs are reversible: two usable sides for double duty, double beauty. We have them in all popular room sizes . . . or can cut and bind a special size to your order.
